FofAA Quiz Night in support of Delete Blood Cancer - you could save a life!

The quiz night, which we hope is going to be enormous fun and a really good opportunity for parents to get together without the children, will take place on the evening of **Thursday 12th May**. Sign-up sheets are on the Studio window, with options to create your own teams of 6 - and do invite your friends - or simply to register interest. Please register interest early as we will need a minimum number of people for the night to go ahead.

There'll be opportunity to find out more about the Stem Cell Register, and swab and sign up as a potential donor, on the night. Proceeds of the night are being split between the school and Delete Blood Cancer, so we're asking for a suggested donation of £5-£15 for each ticket (depending on what you'd like to give; each swab costs £40 for Delete Blood Cancer to process). **You can bring your own drinks to the event** and we're looking for **volunteers to bake nibbles for everyone to enjoy**.

We also need volunteers to help with swabbing on the night - training simply involves watching a short video. Please get in touch with fiona@fionami.co.uk if you'd like to help - thank you!

Friends of ARK Atwood comprises all parents and carers of ARK Atwood Primary Academy and coordinates fundraising and social events for the school.

Coffee Morning

On: **TUESDAY 3 May @ 8:45 in the Studio**

Visiting guest

Sleep Consultant Kerry Secker.

Kerry runs **Kerry Cares Parenting** and is a paediatric sleep consultant. Kerry has over 17 years' experience working with babies, young children and their families from the UK to across the globe.

Kerry works with you to improve your family's sleep with an approach that is gentle, holistic and tailored completely to your family and their needs. She is passionate that every child and family is beautifully unique and that there is not a one size fits all solution when it comes to improving your baby's sleep. Her mantra is: "There are no right ways or rules to raising your family – only ways that are right for you and your family"

Her support is friendly, approachable and above all non-judgemental!

Ambassadors

Each class from Year R to Year 3 has appointed new ambassadors. These important representatives help in class and are also the first children to meet and greet visitors to their classrooms.

Our new ambassadors are:

Next Week @ Atwood

Monday 2nd

Bank Holiday – School Closed

Parking!

Please can I remind parents not to drive down Amberley Road. Amberley Road is narrow and not able to cope with the volume of traffic at school drop-off/collection. Parking at the end of Amberley Road is also dangerous and there have been a couple of near misses. If nothing else please think about the safety of children and parents: pedestrians and cars don't mix! . Thank you for your cooperation and understanding in this matter.

Nursery News

Please could all nursery parents and carers bring in or send to my email by Tuesday next week, **pictures of their family pets?**

Thank you

Library News

As part of the CoverKidsBooks initiative to encourage the media to report more on childrens books, we can now find reviews interviews and more in:-

The Sunday Times each week – a review column

CBBC every Sunday
