It's just three weeks until pupils take on the challenge of spelling 2000 words to raise funds for the school! The Atwood 2000 Word Challenge will be held on Friday 17th June and each class will complete a set number of words to add to the overall combined total of the school, to reach the 2000 word target. Each pupil will receive a sponsorship form Monday June 6th and all funds raised from this fun challenge will help the school build a roof top garden for all the children to enjoy. Ready, set, spell!

Library News

Thank you very much for all the wonderful applications for the Junior Librarian positions from years 3 and 4. We have read all the applications and are impressed with the level of enthusiasm from all applicants.

The children who have been chosen as our first Junior Librarians are Tom and Grace in Ghana class, India and Lily in Belgium and Muflih in Norway. They have commenced training already and will be helping out until the end of the school year. If the role proves successful we will add more students in the new school year and hope that children will reapply if they missed out this time round.

Year 2 applicants are being chosen this week and will start after half term.

We now have a Library Policy in place where you can see the guidelines for how the library operates. It is available to view on the school website and in the library.

If anyone has a good condition small chest of drawers or filing cabinet which they do not need and are willing to donate we are looking for one to go under the desk in the library. Please get in touch if you do.
