

Leadership Prefect

The Leadership Prefect acts as a liaison between the Headteacher/School Leadership Team and the children. This role has a wide remit and may require working alongside other prefects if responsibility areas overlap.

This role includes:

- Speaking to children across the school to get their perspectives on school life
- Feeding back on all aspects of school life from the perspective of the children – what works well and what areas need to be improved
- Feeding back on how safe they feel at school
- Provides suggestions for how improvements can be made

As well as this area of responsibility, the Leadership Prefect will also attend Prefect Meetings with the Headteacher and other prefects to feed back and contribute to discussions regarding other areas.

As with all other prefects, the Leadership Prefect would lead by example and demonstrate all the Atwood Values in everything he/she does.
